DETAILED ACTION

Allowable Subject Matter

1. Claims 1-54 are allowable over the prior art of record.
2. The following is a statement of reasons for the indication of allowable subject matter:

The independent claims that contain the selection of a coding mode separate with selection of the pitch predictor order, is not explicitly taught by the prior art of record. With respect to the prior art of record, Manjunath (6691084) the concept of determining a coding efficiency, and the selection of the coding mode determines the pitch predictor order, whereas the claim language of the independent claims in the claim list of claims 1-54 requires the selection of coding method and the pitch predictor order.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Opsasnick, telephone number (571)272-7623, who is available Tuesday-Thursday, 9am-4pm.
